WARNING FOR OPT APPLICANTS: REJECTIONS AND DENIALS

OPT application denials by USCIS are increasing due to the following reasons:

1) USCIS received OPT application more than 30 days after OPT I-20 issuance date
   - Check Date Issued under School Attestation on Page 1 of your OPT I-20 – if USCIS receives your application more than 30 days after this date, your OPT will be denied

2) Application fee payment issues
   - Follow the payment instructions carefully
   - Send only one form of payment

If your application is returned or rejected by USCIS for any reason, or if you receive a Request for Evidence (RFE) or a Denial Notice... DO NOT RESEND THE APPLICATION WITHOUT CHECKING WITH OIS!

Visit https://ois.usc.edu/employment/employment-f1/opt/post-completion-opt/ for the following:
- OPT Application Checklist
- OPT Instructions: Employment & Reporting Requirements, International Travel

If your application is returned to you or rejected by USCIS for payment issues or any other reason, you must contact OIS to request a new OPT I-20. Resending your application with an expired I-20 will cause your OPT to be denied.

USCIS must receive your OPT application within 30 days of Date Issued date on Page 1 of your OPT I-20. OPT applications received more than 30 days after Date Issued will be denied by USCIS.
The Office of International Services has updated your I-20 reflecting our support of your petition to file for OPT. It is your responsibility to complete the required application and mail it to USCIS in a timely manner.
