Warning for OPT Applicants: Rejections and Denials

OPT application denials by USCIS are increasing due to the following reasons:

1) USCIS received OPT application more than 30 days after OPT I-20 issuance date
   • Check *Date Issued* under *School Attestation* on Page 1 of your OPT I-20 – if
     USCIS receives your application more than 30 days after this date, your OPT
     will be denied

2) Application fee payment issues
   • Follow the payment instructions carefully (starting on Slide 44)
   • Send only one form of payment

If your application is returned or rejected for any reason, or if you receive a Request
for Evidence (RFE) or denial notice, follow the instructions on Slide 49.

DO NOT RESEND THE APPLICATION WITHOUT CHECKING WITH OIS!

What is Post-completion OPT?

F-1 students who wish to work in the US after graduation must apply for a type of work authorization called Optional Practical Training (OPT)

- OPT permits F-1 students to gain work experience in their field of study/major
- Employment begins after graduation
- While on approved OPT, student is still considered an F-1 student; therefore, OIS continues to monitor the student’s F-1 status
- Students are eligible to work for companies or organizations located anywhere in the US
Eligibility Requirements

Students must have met all of the following requirements in order to apply for OPT:

- Maintained F-1 status for a minimum of one academic year – *one academic year is equivalent to two consecutive semesters*
- Have applied for graduation with their academic department
- Have not accrued 12 months or more of full-time Curricular Practical Training (CPT) at current degree level

⚠️ A job or job offer is *not* required in order to apply for OPT
Application Filing Period
When Should Students Apply for OPT?

- Students apply for OPT during their final semester at USC

- Regulations permit students to apply as early as **90 days prior** to the program end date and up to **60 days after** the program end date

- USCIS must receive the OPT application within 30 days of *Date Issued* on Page 1 of the OPT I-20

- USCIS will deny any applications that are received before or after the filing period—no exceptions
When Can Students Request an OPT I-20 from OIS?

OIS accepts OPT I-20 requests *up to* 90 days prior to program end date, and *up to* 45 days after the program end date.

Plan ahead! Check OIS and USCIS processing times [here](#). OIS processing time does not include weekends and holidays.
**OPT Start Date**

The OPT start date is the day the work authorization period officially begins. Some students prefer to start working immediately after they graduate. Others prefer to take a few weeks off before starting their new job; therefore, it is up to the students to select their preferred OPT start date from the range of dates below.

</tbody>
</table>
OPT End Date

The OPT end date is the last day students can work in the US. By default, OPT expires 12 months from the requested start date.

EXAMPLE

Tommy graduated in Fall 2017. He selected 12/14/2017 as his OPT start date. Tommy’s OPT will end on 12/13/2018.
Things to Consider Before Applying for OPT

• Are you going to graduate on time?
  
  • If there is a chance that your graduation date might be delayed due to low GPA or other circumstances, wait until you have final confirmation from your academic department before filing for OPT
  
  • It is extremely difficult to cancel an OPT application once it is sent to USCIS for processing
  
• Plan ahead!

⚠️ OIS OPT I-20 Processing Time: 7 Business Days

• USCIS OPT Application Processing Time: 3.5 to 5.5 months*

Things to Consider Before Applying for OPT

Continued:

• Students cannot begin working until both of the following requirements have been met:
  • They have received the EAD in the mail; \textit{and}
  • The start date on the EAD has been reached

Working in a paid, unpaid, or volunteer position before receiving your EAD and reaching your approved OPT start date is considered working without authorization and is a very serious violation of your F-1 visa status.
Things to Consider Before Applying for OPT

Continued:

• Become familiar with the US hiring process

• Visit the USC Career Center
  • Improve and edit your cover letter and resume
  • Learn effective interviewing and job search strategies
  • Attend helpful workshops and career events

*Cannot have start date MORE THAN 60 days after graduation date.
Employment Requirements
Employment Must Be Directly Related to Major or Field of Study

- USCIS regulations require all employment on OPT to be directly related to a student’s major or field of study
- What does “directly related” mean? If you answer “Yes” to the following, your job is most likely “directly related”
  - Can you explain to USCIS how your job relates to specific courses and skills you learned at USC? and
  - Do you apply the knowledge you gained from studying in your major to your job on a day-to-day basis?

The determination of “directly related” is decided by USCIS. If you are not sure if your job(s) meet this requirement, OIS recommends finding different job(s) that you can clearly relate to your major or field of study to avoid any violations to your F-1 visa status.
Work Hours and Duration of Authorization

• Students are required to work full-time while on OPT
  • **Full-time** employment on OPT is defined as working a total of **at least** 21 hours per week

• Students are granted up to 12 months of OPT per higher degree level

**EXAMPLE**

Tommy applied for OPT based on his Bachelor’s degree in Computer Science. He was granted 12 months of OPT. After working for 12 months, he decided to go back to school to earn a Master’s degree in Business Administration (MBA). Tommy is eligible for another 12 months of OPT upon completion of his MBA program and must seek employment that is related to his MBA degree.

* Total work hours for all jobs must add up to at least 21 hours per week to meet full-time employment requirement.
Acceptable Types of Employment While on OPT (continued)

| Self-employed business owner | Students on OPT may start a business and be self-employed. In this situation, students must work full-time. Students must be able to prove to DHS that they have the proper business licenses and are actively engaged in a business related to their degree program. OIS recommends that self-employed students seek consultation from a lawyer. |
| Employment through an employment/staffing agency or consulting firm | Students on post-completion OPT must be able to provide evidence that they worked an average of at least 21 hours per week while employed by the agency. |
| Unpaid/volunteer jobs* | Students may work on a volunteer basis or as unpaid interns, where this does not violate any US labor laws. Labor laws vary by state. Check with the company’s Human Resources office for restrictions. |

* Total work hours for all jobs must add up to at least 21 hours per week to meet full-time employment requirement
Student’s Responsibilities While on OPT
OPT Employment Reporting Requirements

• **Immigration regulations** require F-1 students on post-completion OPT to report their employment, employment relation to major*, US address, and telephone information on or after their approved OPT start date.

• All updates must be reported within 10 days. Failing to report OPT employment information and/or US address updates in a timely manner may result in the termination of your SEVIS record by USCIS.

• Instructions for how to report OPT employment is provided in the next few slides.

* Resources regarding employment relation to major
  • SEVP Policy Guidance announcement
  • SEVP Policy Guidance: Practical Training - Determining a Direct Relationship Between Employment and a Student's Major Area of Study
How to Report OPT Employment

Step 1: Complete the OIS OPT Employment Relation to Major Form
• Submit one form for each employer (i.e. if you have multiple employers or you change employers)

Step 2: Email completed form to opt@usc.edu
• In email subject line, please type "OPT Employment Relation: Last Name, First Name, SEVIS ID #“

• Attach completed OPT Employment Relation to Major Form as a PDF file

• Submission of the OPT Employment Relation to Major Form to opt@usc.edu will serve as the confirmation that you have complied with the reporting requirements. OIS will contact you only if your form is incomplete.

Step 3: Continued on next slide
Step 3: Login to the SEVP Portal and update employment information

• If your OPT is approved, you will receive the SEVP Portal account activation email from SEVIS on or after your OPT EAD start date. SEVIS does not allow portal access prior to the EAD start date.

• Add or update employment, US address, and telephone information

• Copy and paste the text from "Section B - Employment Relation" to the corresponding box in the SEVP Portal. A template has been provided for your convenience.
How to Report OPT Employment (con’t)

Having SEVP Portal issues?

• If you need to unlock your SEVP Portal account, please select “Reset Password” on the SEVP Portal sign-in page.

• If you need the initial SEVP Portal account creation email to be resent, or need to change your SEVP Portal email address, please email ois@usc.edu.

  • In the email, include your name, copy of OPT EAD, preferred email address, and SEVIS ID number.

  • The processing time for these requests is five business days.
Recordkeeping Tips

• Keep copies of all I-20s and EADs
  • Students who apply for future immigration benefits in the US will likely be asked to provide evidence of all previous EADs and I-20s

• Keep track of OPT employment
  • OIS will continue to monitor students SEVIS records while on OPT, but it is the students’ responsibility to keep track of their employment records

• Keep original EAD in a safe place, not in a wallet
  • Lost or stolen EAD will need to be replaced at the student’s expense
90-Day Unemployment Rule

• Students are limited to a total of 90 days of unemployment over the 12-month period while on OPT
  
  • Students only start accruing unemployment on/after the start date printed on the Employment Authorization Document (EAD)

• If a student accrues 90 days or more of unemployment, it is considered a violation of F-1 status and their SEVIS record will be automatically terminated
  
  • USCIS may terminate SEVIS records of students who accrue 90 days or more of unemployment, and future U.S. immigration benefits may be negatively affected
90-Day Unemployment Rule

Continued:

• Student and Exchange Visitor Programs (SEVP) may audit SEVIS data for students on OPT and terminate students’ records if there is no employment information updated in SEVIS

• Students who are unemployed should select one of the following solutions before their 90th day of unemployment:

  • Begin a new degree program at USC
  • Transfer SEVIS record to another SEVP certified school
  • Change visa status
  • Depart the United States

## Required Documents for Re-Entry into the U.S.

**Pending OPT Application**
- Valid passport

⚠️ Travel signatures while on OPT are only valid for 6 months.

  1) Completed Travel Signature Request Form
  2) OPT I-20 (Original)

- Plan ahead! Do not wait until the last minute to request a travel signature! Visit the OIS website for current document processing times.
Options After Completing OPT
Options After OPT Ends

Students are allowed to remain in the US for up to 60 days after the OPT end date. This period of time is called a “grace period”. During this time, students may not work and cannot leave and re-enter the US as F-1 students.

Please see next slide for options during the 60 day grace period.

**Review reporting requirements while on OPT**
STEP 1: Student Requests OPT I-20 Online

• Create an **OPT I-20 Request System** profile and indicate **preferred OPT start** and **end dates** – this will generate a PDF Graduation Verification Form

  • Have academic advisor sign the Graduation Verification Form
    • Viterbi Master’s & PhD students – form must be signed by VASE advisor
      • For instructions on obtaining a VASE advisor’s signature, click [here](#)
    • Upload the signed Graduation Verification Form & copy of current I-20 (page 1 only) in the OPT I-20 Request System
  • Submit OPT I-20 request for processing

• Please allow **7 business days** for OIS review and process the OPT I-20 Request – incomplete applications will require additional processing time
STEP 2: Student Picks Up OPT I-20 from OIS

• Students will be notified via email when their OPT I-20 is available for pick-up at OIS

  • If you are unable to come to OIS, you may have a friend pick up the I-20 on your behalf. Your friend must present a printed letter/email from you stating that you give him/her permission to pick-up your I-20 on your behalf. OIS will not mail OPT I-20s to students so please plan accordingly.

• Student must sign and date OPT I-20

  Check “Date Issued” and “Program End Date” on Page 1 of your OPT I-20. If your application is received by USCIS more than 30 days after “Date Issued” and/or more than 60 days after “Program End Date” on Page 1, your OPT application will be DENIED.

- Refer to USC’s Sample OPT I-765 for further instructions
- Print and sign completed form in black ink
U.S. Address

  • Refer to USC’s Sample OPT I-765 for address instructions
  • A Post Office Address (P.O. Box) is acceptable for mailing address, but not physical address
  • The U.S. Postal Service does not forward mail from USCIS
  • If students are no longer residing at the address listed on the I-765, the EAD will be returned to USCIS
    • Students are not notified when EADs are returned to USCIS

• If it is absolutely necessary for you to change addresses after mailing your OPT application to USCIS, you must notify OIS and the USCIS National Service Center of this change. Please call USCIS at 1-800-375-5283 or complete the online USCIS Change of Address form.

USC Student Affairs
Standard OPT Processing Time

• USCIS OPT Application Processing Time: 3.5 to 5.5 months*

• Students can [check the status of their I-765 application](https://egov.uscis.gov/processing-times/) online
  
  • Enter receipt number from I-797C Receipt Notice of Action
Employment Authorization Document (EAD)

Once the OPT application is approved by USCIS, students will receive the Approval Notice in the mail. A few days later, the EAD will also arrive by mail.

Sample EAD

- A valid passport, I-94, OPT I-20, and OPT EAD will satisfy employer’s request for proof of work authorization.
Rejection, Request for Evidence (RFE), or Denial

**Contact OIS and schedule an appointment as soon as you receive a returned or rejected application, RFE, or denial notice from USCIS**

DO NOT RESEND THE APPLICATION WITHOUT CHECKING WITH OIS!

**Returned or Rejected:** If your application is returned or rejected, you will need to request a new OPT I-20 from OIS. USCIS will deny your OPT if your re-apply with an expired OPT I-20. USCIS must receive your new application within 30 days of *Date Issued on Page 1* of your OPT I-20.

**RFE:** If USCIS needs more information to process your application, they may issue you an RFE. The RFE will explain which additional documents are required along with return mailing instructions and a specific deadline to respond by.

**Denial:** If your OPT is denied, USCIS will indicate the reason for the denial on the denial notice. Due to the long OPT application processing time with USCIS, you will likely not be eligible to re-apply for OPT.
OPT Cancellation

• Students who wish to forfeit their OPT and return to their home country must notify OIS so that their SEVIS records can be closed out. Failure to report departure information to OIS can result in the automatic termination of their SEVIS record as a result of excessive unemployment days, which could have a negative impact on any future U.S. visa applications.

OPT and Taking Classes – “Avocational Coursework”

• Students may take classes that are avocational or recreational in nature, and are incidental to their employment. Per USCIS regulations, students cannot be enrolled in a certificate- or degree-seeking program while on OPT.
Social Security Number
Social Security Number (SSN)

• SSN is a 9-digit number issued to US citizens, permanent residents, and temporary (working) non-residents (i.e. F-1 students on OPT) by the Social Security Administration (SSA)
  • Its primary purpose is to track individuals for taxation purposes; it is not intended to be used for identification purposes

• Students who have had paid employment in the US prior to OPT should already have a SSN, and do not need to apply for another one.

• Students who have never worked for pay in the US and therefore need a SSN must apply for one using the OPT I-765 application. See the USC’s Sample OPT I-765 for instructions.
Questions Regarding OPT?

• Call OIS at (213) 740-2666 to schedule an appointment (phone or in-person) with an advisor; or

• email general inquiries to ois@usc.edu
